Greensboro Mutual Insurance Co.

PURSUANT to an Act of Incorporation, a Company has been formed under the name and style of "The Greensboro Mutual Insurance Company," and fully organized by the appointment of the following Officers:

JAMES SLOAN, President.
S. G. COFFIN, Vice President.
PETER ADAMS, Secretary and Treasurer.
C. D. MENDENHALL, Attorney.
JOHN A. MERRITT, Executive Com.
W. J. McCONNELL, Executive Com.
WM. S. RANKIN, Directors.

James Sloan, W. J. McConnell, William S. Rankin, J. H. Lindsey, Shubal G. Coffin, William H. Reese, Tyre Glenn, John B. Mebane, Andrew Weatherly, C. P. Mendenhall, Lyndon Swain, Jesse Shelly, Jonathan W. Field.

This Company has now been in successful operation for several months, and will take risks upon Dwelling Houses, Stores and other Buildings, Merchandise, Furniture, Produce, &c. The object of this organization is to afford a system of Insurance which shall operate for the mutual benefit of all its members.

The peculiar advantages arising from this mode of Insurance is, that the assured pay no more than the actual losses and expenses of the Company, and experience has proved the safety of Mutual Insurance Companies, as well as the great saving to its members; no stronger argument can be produced in their favor, than the confidence which they have from the entire community, where such Companies are in successful operation.

Any information respecting the principles of the Company will be cheerfully furnished by the Secretary, or any of its Agents. **PETER ADAMS, Sec'y.**

The Subscriber, having been appointed Agent, will receive applications and make surveys to effect Insurance in said Company.

GEORGE T. COOKE, Agent, N. C.

Baltimore Piano Manufactory.

Important Improvement—Elastic Universal Touch.

WISSE & BROTHER, Manufacturers of Boudoir Square and Grand Pianos, request those wanting a first-rate instrument—one that Ladies can perform on with the greatest possible advantage, that is, of elastic style, of superlative touch and tone, that will stand in concert tone, and last a life time, to call and see for themselves a sample instrument at the Agent's office—Dr. W. R. Scott's.

These instruments are more in general use in the City among the first critics of art and science, and to whom we have the honor of referring. See the manufacturer's circulars, which may be obtained of the Agent. All instruments warranted five years.

LEATHER FOR SPRING SALES.

At Wholesale and Retail.

WE respectfully inform our friends and the public that we have in store a large and most excellent **Stock of Leather and Findings,** for the Spring Trade, which we will sell as low as any other establishment South of New York, and for less price than they can be had even there, expenses of travelling, freight, &c., considered.

All of our purchases having been made from the Importers and Manufacturers by the whole case or package, and the advantage of receiving Leather regularly from our own Tannery, places it in our power to sell Goods as above stated. Those who wish to buy cannot lose by giving our stock an examination, and we believe we shall be able to please, both as to price and quality.

Below we enumerate some of the leading articles, viz: 20 dozen of Crawford's Calf Skins (this maker had the premium awarded to him at the World's Fair held in London in 1851.)

40 doz. French Skins, best quality,	90
40 " American Calf Skins,	90
90 " Lining and Binding Skins,	90
10 " Morocco Skins,	90
800 Sides Oak Tanned and Hemlock Sole Leather,	50
50 " Band Leather,	50

Leads, Boot-Trees, Shoe and Boot Maker's Tools of every kind, Tanners' and Currier's Tools.

Also, Sewed Brogans of our own manufacture, warranted to give satisfaction, and many other articles, too numerous to mention, at No. 21 Old street, opposite B. P. Harrison's Saddlery, A. & R. H. FORD.

We pay the highest price in cash for Green and Dried Hides delivered to us at our Store.

NOVELTY WORKS.

WEST ST., RALEIGH, NORTH-CAROLINA.
SILAS BURNS, PROPRIETOR.

BUILDER OF
Steam Engines & General Machinery.

HE above establishment has been in successful operation above ten years, and has turned out some of the best **STEAM ENGINES** and **SAW MILLS** that have ever operated in this or any other State.

Orders are solicited for **Steam Engines** and **Saw Mills**, Mill Gearing and Machinery of every description, completed during the Summer and Fall. The improved condition of the Raleigh and Gaston Rail Road will enable me to fill with dispatch and punctuality all orders after the 1st of July.

The following certificate will show the character of the work executed at the above Works:

MR. SILAS BURNS,
CUNNY, Cumberland, May 15, 1852.

Dear Sir: Our Engine and Mills, made at your shops, have been at work nearly two months, and fully meet our expectations. The **ENGINE**, as to **POWER** and **PERFORMANCE**, and the **MILLS**, as to **WORK** and **PERFORMANCE**, are in every respect what we required. The **MILLS** run with a smoothness and speed truly astonishing. In ordinary sawing we cut in a common sized log, 1 foot in 32 seconds or 16 feet per minute. We have run, however, through an 18 foot log in 32 seconds or at the rate of 33 feet per minute, or elsewhere. The **MILLS** run with a smoothness and speed truly astonishing.
